Variable Sponsorship Amounts
Rink dues for the year are \$600 per skater. A good set of wheels with bearings is around \$200. Meet expenses vary depending on travel costs and meet type. Any amount helps! You will receive updates from the skater, a 5x7 team photo and will be recognized by name on the Synergy Sponsors webpage.

What is a Shout Out?

A shout out is a social media post (Facebook, Instagram, etc.) beyond the listing on our webpage. If you have a site that accepts posts, we will share our thanks with a photo on your page. A video shout out is a video (up to 30 seconds) that includes video footage of our team with a mention of your business name and thanks for sponsorship.
